

Hendricks Regional Health Gives Back to Community

In 2008, Hendricks Regional Health contributed more than \$800,000 through sponsorships and donations to organizations making a difference in our community, supporting the following needs:

[Project Angel](#) will provide food and Christmas presents to needy families in Hendricks County.

[Habitat for Humanity](#) will build homes for deserving people.

Numerous grants will be provided to local non-profit organizations by the [Hendricks County Community Foundation](#).

[Sheltering Wings Center for Women](#) will provide a safe haven for women and their children who are victims of domestic violence.

The [Hendricks County Trail Development Association](#) will be one step closer to building a walking trail along the old B&O railroad track in Hendricks County.

Walks, golf outings and other events will be held in Hendricks County to raise funds for the [American Cancer Society](#), [Cystic Fibrosis Foundation](#), [March of Dimes](#) and [Susan G. Komen Race for the Cure](#).

Hendricks County and Danville police officers will make the day of local children by taking them on the annual [Shop-With-A-Cop](#) holiday and back-to-school shopping trips.

The [Hendricks County Senior Center](#) will provide outreach, programs and transportation to senior citizens in our community.

Special needs children will enjoy their summer at [Hope's Way](#) or [Indianapolis Institute for Families](#) summer camp.

Local youth sports organizations such as [Avon Junior Athletic Association](#) and [Danville Little League](#) will have safe equipment for their participants.

[Parks](#) in Hendricks County will provide summer camps, family activities and recreational opportunities to our community.

A collaboration between Hendricks Regional Health and the [YMCA of Greater Indianapolis](#) will bring a new state-of-the-art facility to Avon, providing health and recreational services for the community.

Mission

Our mission is to improve the health of our region through the provision of the highest quality health care in a compassionate, technologically advanced and efficient environment.

Values

Our fundamental values are staff, service and stewardship.

Vision

Hendricks Regional Health will be the health system of choice by patients, physicians and staff for serving the health care needs of the region.
