

Joint pain and discomfort are among the most common reasons people seek medical evaluation and treatment. On Thursday, August 21, from 6 to 7:30 p.m., Dr. Brad Prather and Dr. Chad Waits, orthopedic surgeons with Hendricks Orthopedics and Sports Medicine, will review and discuss a variety of causes for joint pain and available treatment options, including:

- Treatment for arthritis of the hip and knee
- Joint replacement options
- Minimally invasive anterior hip replacement technique

The seminar will take place in Hendricks Regional Health YMCA, Conference Room 2, 301 Satori Parkway, Avon. Registration is required for this free community event. To register, go to hendricks.org and click on the “Free Seminar” link. For more information call (317) 718-4676. Orthopedic specialists from Hendricks Regional Health present free talks each month on a variety of orthopedic subjects. Visit hendricks.org/joints to learn more.
