**FOR IMMEDIATE RELEASE**

**ANDREW PYLE TAPPED AS NEXT CHIEF FINANCIAL OFFICER  
OF HENDRICKS REGIONAL HEALTH**

(DANVILLE, IN) – Hendricks Regional Health President & CEO Dr. Michelle Fenoughty has announced that Andrew Pyle, CPA, will serve as the healthcare system's next Chief Financial Officer, effective August 10, 2024. Andrew joined the Hendricks staff in 2018 as Controller and Director of Finance.

"Andrew has been part of our leadership team for six years, helping Hendricks achieve several milestones such as implementing a single Electronic Medical Record System, opening a new hospital and responding to the COVID-19 pandemic. Recently, he's played an essential part in planning future capital expansion projects," said Dr. Fenoughty. "Andrew is exceptionally suited for the CFO role not just because of his institutional knowledge and healthcare finance expertise but also because of his mindset. Patients and the community come first with Andrew. He also has a strong work ethic and is incredibly humble, earning him respect across the entire organization."

Andrew is a licensed Certified Public Accountant (CPA) who graduated from Indiana State University with a Bachelor of Science in Accounting and Marketing and a minor in Forensic Accounting. Before joining Hendricks, Andrew held managerial roles within PricewaterhouseCoopers and Calumet Specialty Products. He is an active member of the Indiana CPA Society and Indiana's Healthcare Financial Management Association chapter.

"This is a full circle moment for me," said Andrew. "My family began right here at Hendricks. My healthcare career began at Hendricks. I've learned so much from so many over the years. That's just one of the things that makes our culture so unique - the willingness to mentor others, share knowledge and always put our patients first. I am grateful for the opportunity to continue to learn and be part of a leadership team that will push this special place to new heights."

Andrew is involved with several community organizations and has enjoyed volunteering for our local parks, Gleaners Food Bank and the Sheltering Wings Men IN Action READ program. He lives in Danville with his wife, Chelsea, and their children, Preston and Frankie.

**ABOUT HENDRICKS REGIONAL HEALTH**

Since 1962, Hendricks Regional Health has served west central Indiana as its preferred, trusted healthcare provider.
