## **New Providers Join Hendricks Regional Health Medical Group**

Danville – Hendricks Regional Health is proud to announce three new providers joined its medical group in June. “These dedicated professionals are welcome additions to our already outstanding team,” said Kevin P. Speer, Hendricks Regional Health President & CEO. “Their commitment to improving the health and quality of life for people in our community directly aligns with our overall mission to increase access to high-quality healthcare to all we serve.”

[Katelyn Lakes, NP](#) joins our palliative care service line. She graduated from Fordham University, earned her Master of Science in Nursing (MSN) at Xavier University, and completed her MSN, family nurse practitioner, at Indiana State University. Katelyn is board certified by the Clinical Nurse Leader Association and American Association of Nurse Practitioners.

[Joseph Lesnik, MD](#) is the newest member of our Pediatric Hospitalist team. Children admitted to the hospital at Hendricks Regional Health are cared for by our team of experienced pediatric hospitalists. Dr. Lesnik earned his medical degree from the University of Iowa School of Medicine. In addition, he completed residencies at St. Louis University and Cardinal Glennon Children's Hospital. He is board certified by the American Board of Pediatrics.

[Kristy Mount, MD, PhD](#) is a family medicine physician who will see patients at Stafford Pointe Family Physicians in Plainfield. Dr. Mount attended medical school at the Loyola University Stritch School of Medicine. She received her doctorate at Indiana University. Dr. Mount is board certified by the American Academy of Family Physicians.

###

Hendricks Regional Health is a nationally recognized, not-for-profit, healthcare organization with a deeply rooted legacy of community service. The Hendricks' culture is built on our vision to be the community's indispensable healthcare partner and focused

on these seven values: Respect, Empathy, Integrity, Courage, Collaboration, Loyalty and Engagement. More than 2,200 associates live these values each day through a shared philosophy of patient-centered, high-quality, low-cost care.

Hendricks Regional Health is a Magnet® hospital for nursing excellence and is accredited by Healthcare Facilities Accreditation Program (HFAP). The organization received full Chest Pain Center Accreditation from the American College of Cardiology. Hendricks recently received the 2019 Five Star Total Knee Replacement award, the 2019 Five Star Esophageal/Stomach Surgeries award and the 2019 Five Star Treatment of Pulmonary Embolism award from Healthgrades. In 2019, Hendricks Regional Health was honored with High Performance recognition from U.S. News & World Report. Hendricks Regional Health is one of only seven hospitals nationwide to be recognized in the top five percent in the nation by Healthgrades for Outstanding Patient Experience for 12 consecutive years. As the largest employer in Hendricks County, the organization was recognized as a Finalist in the Healthiest Employers of Indiana Awards Program. Hendricks is one of only two organizations in the Midwest to earn the American Heart Association's Community Innovation Award for developing and implementing our visionary wellness program. Leapfrog has awarded Hendricks Regional Health consecutive A ratings over the last six semi-annual reporting periods, beginning in Fall 2016.
