FOR IMMEDIATE RELEASE

HENDRICKS REGIONAL HEALTH, SOUTHMONT SCHOOLS ANNOUNCE NEW PARTNERSHIP

(CRAWFORDSVILLE, IN) – Hendricks Regional Health and Southmont Schools today announced a new three-year partnership effective July 1, 2023, that makes Hendricks the sports medicine provider for the Mounties.

"We are extremely excited to partner with Hendricks Regional Health," said Aaron Charles, Southmont Athletic Director. "Hendricks Regional Health brings a wealth of knowledge, resources, dedication, and care that is second to none that is going to benefit our student-athletes, school, and community as a whole. Hendricks has been amazing to collaborate with and we are looking forward to working together as one team."

Through the partnership, Southmont student-athletes will have access to a full circle of care in orthopedics, sports medicine and rehabilitation from Hendricks. Hendricks physicians, athletic trainers and physical therapists will work to prevent, evaluate, treat and rehabilitate athletic injuries.

"We know that amazing things happen when two partnership-minded organizations come together with a shared commitment to the health of the next generation," said Shane Sommers, Vice President of Professional Services for Hendricks Regional Health. "Southmont has a rich tradition of challenging its students in the classroom and on the field, and we are honored to now play a role in that - to help student-athletes keep doing what they love and to excel while doing it. Hendricks is proud to be a Mountie!"
