New Providers Join Hendricks Regional Health Medical Group

Danville – Hendricks Regional Health welcomed two new providers to its medical group in February. “These talented healthcare professionals will help Hendricks Regional Health further serve our community’s growing demand for primary care services,” said Kevin P. Speer, Hendricks Regional Health President & CEO. “Continuing to meet these needs is key to achieving our vision of being the indispensable healthcare provider to all we serve.”

[Clifford Crawford, MD](#) has joined the Hendricks Regional Health Medical Group. He specializes in primary care for adults at the new Hendricks Regional Health Danville Internal Medicine practice. Dr. Crawford graduated from Indiana State University, earned his medical degree at Indiana University School of Medicine and completed residency at Ball Memorial Hospital in Muncie, Indiana. He is board certified by the American Board of Internal Medicine.

[Travis McPike, NP](#) has joined Hendricks Regional Health Bainbridge Family Medicine. Travis graduated from Indiana State University with a Bachelor of Science degree in nursing and a Master of Science in Nursing.

About Hendricks Regional Health

Hendricks Regional Health is a nationally recognized, not-for-profit, healthcare organization with a deeply rooted legacy of community service. The Hendricks’ culture is built on our vision to be the community’s indispensable healthcare partner and focused on these seven values: Respect, Empathy, Integrity, Courage, Collaboration, Loyalty and Engagement. More than 2,100 associates live these values each day through a shared philosophy of patient-centered, high-quality, low-cost care.

Hendricks Regional Health is a Magnet® hospital for nursing excellence and is accredited by Healthcare Facilities Accreditation Program (HFAP). The organization received full Chest Pain Center Accreditation from the American College of Cardiology. Hendricks Regional Health is proud to be designated a 2018-2019 five-star hospital in

quality and patient safety by the Centers for Medicare and Medicaid Services. Hendricks recently received the 2019 Five Star Total Knee Replacement award, the 2019 Five Star Esophageal/Stomach Surgeries award and the 2019 Five Star Treatment of Pulmonary Embolism award from Healthgrades. In 2018, Hendricks Regional Health was honored with High Performance recognition from U.S. News & World Report. Hendricks Regional Health is one of only 13 hospitals nationwide to be recognized in the top five percent in the nation by Healthgrades for Outstanding Patient Experience for 11 consecutive years. As the largest employer in Hendricks County, the organization was recognized as a Finalist in the Healthiest Employers of Indiana Awards Program. Hendricks is one of only two organizations in the Midwest to earn the American Heart Association's Community Innovation Award for developing and implementing our visionary wellness program. Leapfrog has awarded Hendricks Regional Health consecutive A ratings over the last five semi-annual reporting periods, beginning in Fall 2016.

Hendricks Regional Health staffs a full complement of physicians and providers in a variety of specialties at locations in Danville, Avon, Plainfield, Brownsburg, Lizton and Bainbridge. For more information, please visit our website at www.hendricks.org.
