

Our office is a part of a community-based health system that can meet ALL of your healthcare needs. While we have been able to care for you through your pregnancy and delivery, it is important to us that you establish care with a **Primary Care Provider** that you can have regular, scheduled check-ups with. Hendricks Regional Health has several providers and locations to choose from.

FINDING A CARE PROVIDER:

- Look for an office close to home or work.
- Ask friends & family who they see for healthcare.
- Make sure the provider you choose accepts your insurance and is taking new patients.
