

THE PHIL AWARD

Honoring Outstanding Respiratory Therapists®

Nominate an outstanding respiratory therapist for The PHIL Award!

Each year, Hendricks Regional Health proudly presents The PHIL Award (Pulmonary Health and Illnesses of the Lungs) to a respiratory therapist who has provided outstanding care and treatment with pulmonary illnesses.

The PHIL Award is the only nationally recognized hospital-based program that honors and recognizes respiratory therapists as nominated by patients, their family members, and other caregivers. The award was created in 2006 by Sharman Lamka in memory of Philip C. Lamka, who passed away due to complications from an interstitial lung disease.

Do you know a respiratory therapist who has provided outstanding care to a patient and/or family dealing with pulmonary illness?

Nominate them for The PHIL Award
and give them the recognition they deserve!

Submit Nominations to:

philaward@hendricks.org

Or mail to:

Audrey Dybedock, ATTN: Respiratory Therapy,
1000 East Main Street, Danville, IN 46122
